SEVENTEENTH AFFIRMATIVE DEFENSE

U.S. Patent No. 5,030,472; Reexamination Certificate B1 5,030,472; and Re. 35,374 and all claims thereof are invalid, void and unenforceable on the grounds that they fail to meet the conditions of patentability set forth in 35 U.S.C. §§ 101 *et seq.*

EIGHTEENTH AFFIRMATIVE DEFENSE

- a) the alleged invention therein was known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the alleged invention thereof by the applicant for patent;

U.S. Patent No. 5,030,472; Reexamination Certificate B1 5030,472; and Re. 35,374 and all claims thereof are invalid, void and unenforceable for failure to comply with the provisions of 35 U.S.C. §§ 103 and 112.

TWENTIETH AFFIRMATIVE DEFENSE

Plaintiff, having narrowed his claims during prosecution of his patent application to avoid the prior art, is estopped from claiming a scope for the alleged invention he previously

relinquished, or otherwise construing the claims of U.S. Patent No. 5,030,472; Reexamination Certificate B1 5,030,472; and Re. 35,374 to cover the use or sale of any product of Defendant.

TWENTY-FIRST AFFIRMATIVE DEFENSE

No product made, used or sold by Defendant comes within the scope of any claim of the Patents-in-Suit when properly construed.

That the Court declare and adjudicate, pursuant to 28 U.S.C. §§ 2201 and 2202, the respective rights and relations of the parties with respect to the matters in issue, to include a declaration that the Patents-in-Suit and all claims thereof, are invalid, unenforceable, and not infringed by any product manufactured, used, sold, or offered for sale by Counterclaim Plaintiff;

5. That the Court award Counterclaim Plaintiff its reasonable attorneys' fees pursuant to 35 U.S.C. § 285;

6. That the Court tax all costs associated with this suit against Counterclaim Defendant; and
